

B/F HOPPER DIVIDER for Dual Flavor Cake Donuts

SIMPLE ASSEMBLY

MAKES 2-COLOR/2-FLAVOR CAKE DONUTS

- Hopper can be filled with cake donut batter on both sides of the divider. Allows for endless creativity and flavor combinations.
- **Compatible with Belshaw Type B or Type F cake donut depositors.** Depositors manufactured before 2018 require a new hopper (Part #0290) in order to fit correctly.
- **Works with all Belshaw plungers** except French Cruller.
- **Assembly takes < 1 minute.** No tools or hardware needed.
- **Easy to clean stainless steel** with PTFE finish.
- **Part #:** 0290-1000
- **Available:** Sept 1, 2022.

Divides a Type B or Type F hopper → to enable two flavors in each deposit.

For best results, batter viscosity should be similar.

Example: Vanilla/Chocolate donuts →
